SUPPLEMENTAL INFORMATION  
DISCLOSURE STATEMENT UNDER 37  
CFR §1.97 and §1.98

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of the references are enclosed.

Also enclosed is a copy of an office action dated November 15, 2005 from the Japan Intellectual Property Office (JIPO) for the corresponding JIPO patent application JP2001-341361.

Please note that in the JIPO Office action the examiner cites a journal article, ARAI "The latest trend of IP storage networking," Computertopia 36:74-77 (August 2001), which is published in the Japanese language. An English language translation of this article is

not within the possession, custody, or control of, or readily available to any individual designated in 37 CFR §1.56(c). A partial translation of the JIPO office action indicates that the journal article is cited to show that NA, which is accessed by a file access protocol, and iSCSI, which is blocked-accessed, are well known structures as seen in the diagram on page 76 of the journal article. The JIPO examiner also cites Japan patent application JP2000-339098 which corresponds to U.S. Pat. No. 6,446,141.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the “references cited” on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

This IDS is being filed before the mailing date of the final Office Action or Notice of Allowance.

#### CERTIFICATION

I hereby certify that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned’s Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
